

CUSTOMIZED TREATMENT PLANS WITH ONE-ON-ONE ATTENTION

BOOK AN APPOINTMENT

A Physical Therapist Owned Practice

WHO WE ARE

At Southeast Rehabilitation, our highly trained physical therapists conduct a thorough assessment for each patient. Using the information we gather from that assessment, we create a truly customized treatment plan for each individual. Our customized treatment plans are designed to help each individual reach his or her treatment goals as efficiently as possible. To make sure we are completely attentive to your progressing needs, you receive one-on-one attention from our staff while you are here.

Rehabilitation & Physical Therapy

We treat most injuries and conditions and offer a range of services with cutting edge treatments and modalities such as : Cold laser, Hybresis, NMES along with specialized training in mobilizations, SFMA, McKenzie...
